Close Submit

11. Once you click on “Submit” and it will redirect you to Login page and Singup process completed

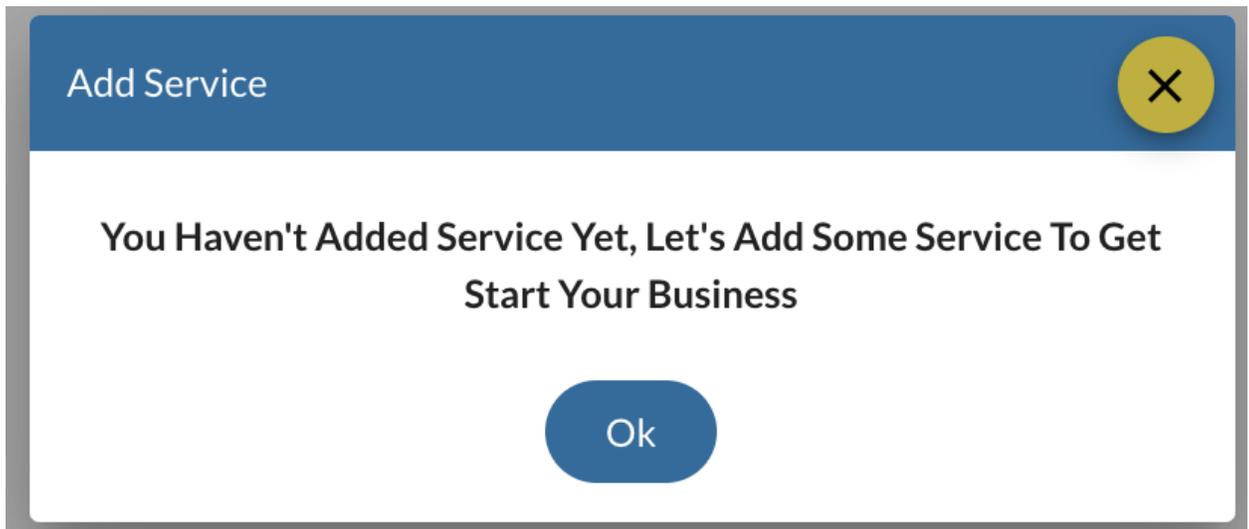

12. After login it will take you to the Dashboard page and some initial configuration like business hour and service info

13. Enter business hours first like following

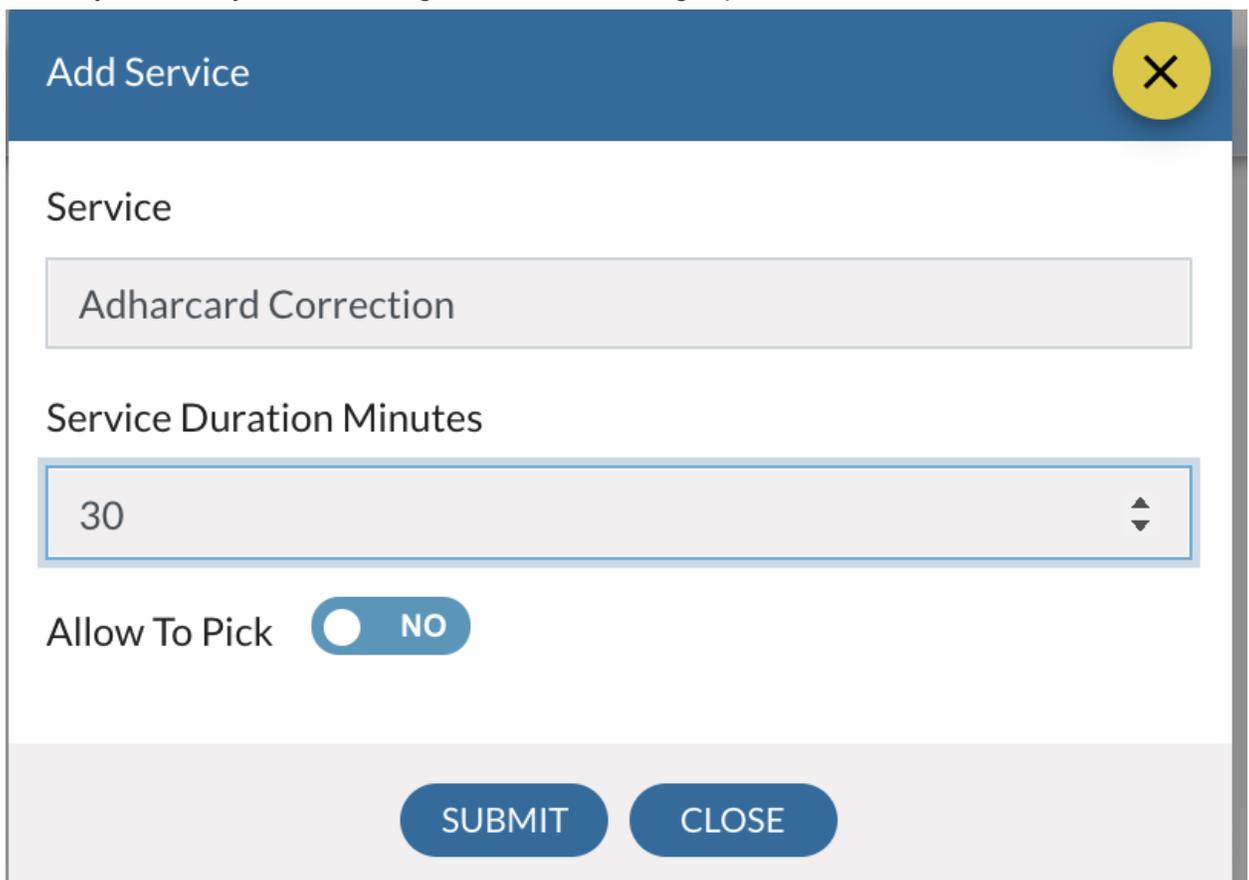

14. Click on "Save"

The dialog box has a blue header with the text "Add Service" and a yellow close button with an "X" icon. The main content area is white and contains the text "You Haven't Added Service Yet, Let's Add Some Service To Get Start Your Business" in bold black font. At the bottom center, there is a blue rounded button with the text "Ok".

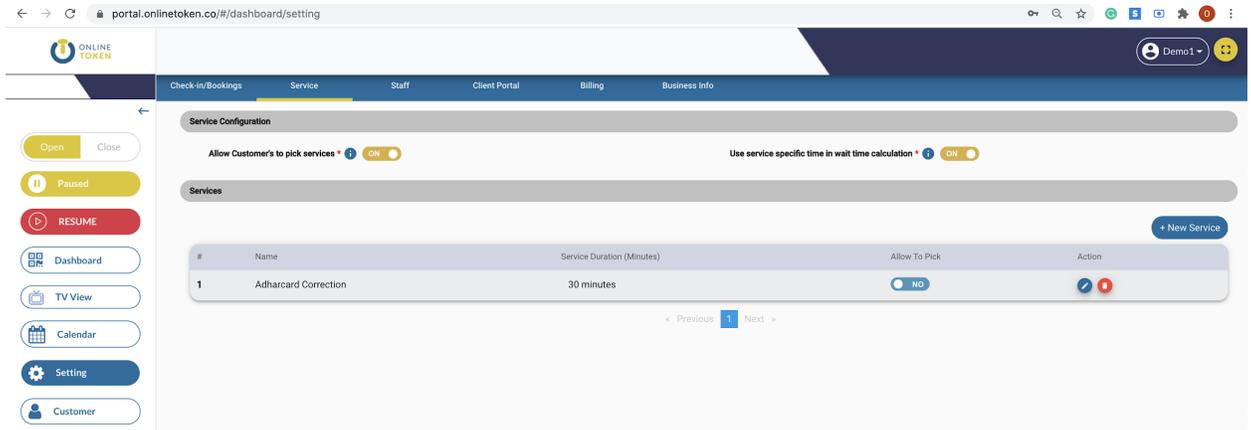

15. Add any services you are offering and want to manage queue for it

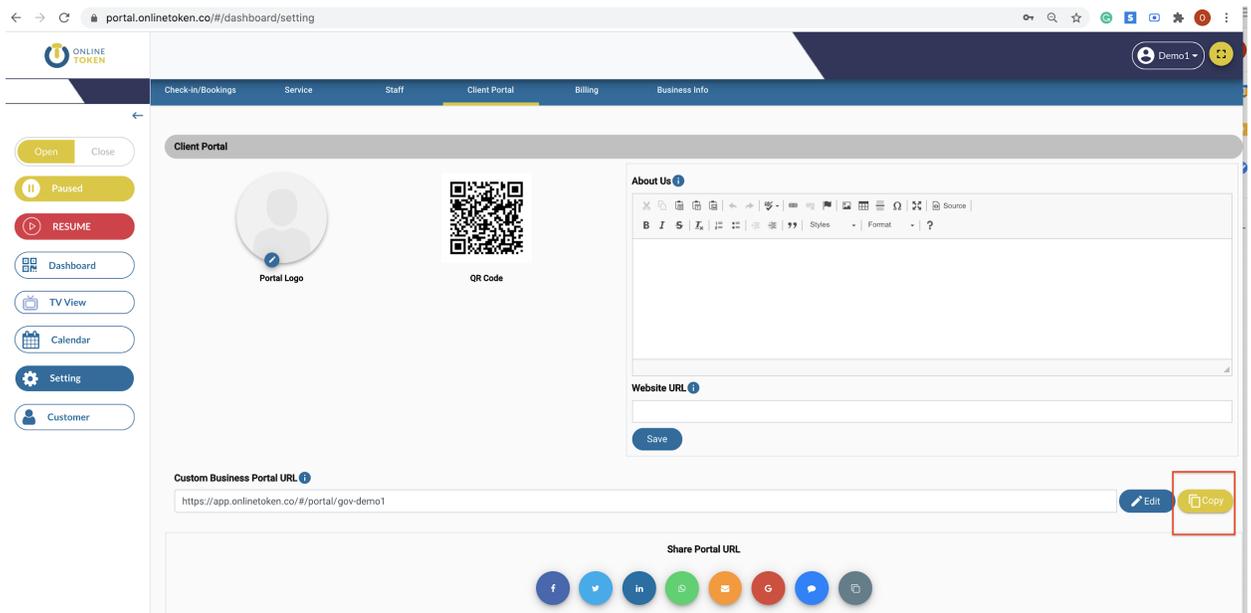

The dialog box has a blue header with the text "Add Service" and a yellow close button with an "X" icon. The main content area is white and contains the following fields:

- Service**: A text input field containing "Adharcard Correction".
- Service Duration Minutes**: A text input field containing "30" with a dropdown arrow on the right.
- Allow To Pick**: A toggle switch with a white circle and the text "NO".

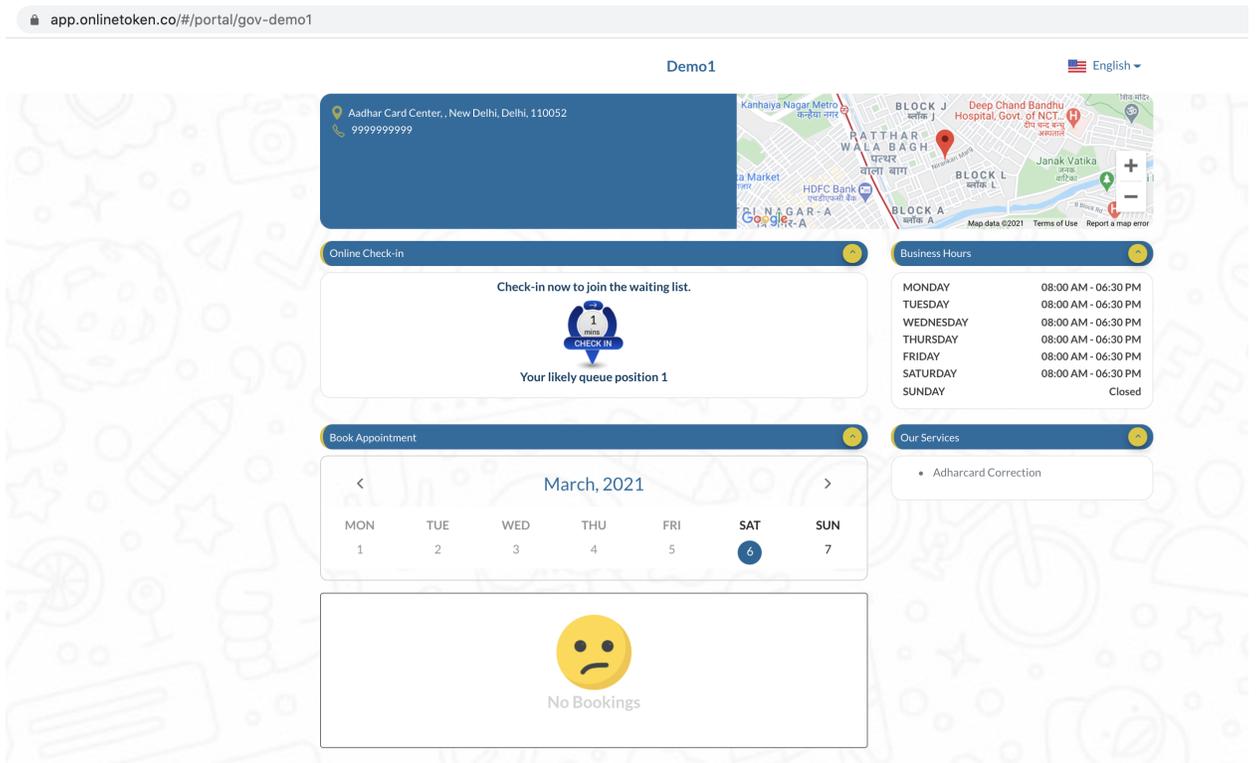

At the bottom, there are two blue rounded buttons: "SUBMIT" and "CLOSE".

Now you are DONE with setup and you can start using OnlineToken for your business. Next you can go to Setting -> Client Portal and share your dedicate client Portal URL with users , integrate with your website , Facebook or Goog

16. URL will be like following -> <https://app.onlinetoken.co/#/portal/gov-demo1>

17. You can also add “Appointment” or “Token” for calling or walking customers on their behalf.

***Please send us email at “[info@onlinetoken.us](mailto:info@onlinetoken.us)” if you have any questions or need any other assistance or report any bug.***

**Thank you for choosing OnlineToken and we appreciate your business**
